WHY FOOD WASTE MATTERS

Californians throw away nearly 6 million tons of food scraps or food waste each year, which represents about 18 percent of all the material that goes to landfills. Food waste must be addressed for California to reach its goal of 75% source reduction, recycling, and composting.

Everyone has a role in saving resources and wasting less food. Rather than throwing away excess food, find ways to manage it more thoughtfully, such as composting for soil restoration.

SB 1383 is the law, and requires everyone to participate.

Visit www.yucca-valley.org/organics for more information about Yucca Valley's organic recycling program.

NEW BURRTEC FACILITY

Your local recycling facility is open for Town of Yucca Valley residents. Town residents are welcome to drop off bulky and universal waste items.

At our facility, we accept a range of items for recycling, including universal items such as computers, TVs, and small batteries. This is a great opportunity to dispose of these items responsibly.

Please be prepared to show proof of residence, and you must check in at the facility office or transfer center.

Welcome to our new yard, we hope you enjoy visiting us!

BULKY ITEM PROGRAM

Pick up is available curbside for residents, please call 48 hours prior to your collection day to schedule a pick up.

Drop off for bulky items is available **only** on Saturdays from 8 am to 12 pm.

ARE YOU RECYCLING RIGHT?

Keep your recycling cart clean, dry and free of ooey, gooey and chewy items!
