★ **New marketing angle to stimulate adoptions**

The shelter normally holds adoptions events throughout the year. From Valentine’s day, to March Madness, to Springs is in the Air, to Summer of Fun, to many more. Most of these adoption events are successful and sometimes, not so much. But it is an outreach to the community to stimulate adoptions.

The shelter is trying something new, in addition to the normal adoption events. Pet of the Week. The shelter will select a pet for Pet of the Week and blast it on social media. Here are our first three.

While we heard some positive feedback, the follow through seems to be lacking. But it is a new program and are hopeful it will prove successful.

★ **Current adoption event**

Our March Madness Adoption Event is normally the second adoption event of the year. It normally has a good showing of adoptions.
